CIRCULATION.

It allows examination of circulation by the Association of American Advertisers, and holds their certificate of BONA FIDE subscribers. Gives sworn statements to any interested advertiser. The Landmark is one of thirty-eight papers out of over two thousand in the United States to be voluntarily awarded the "**GOLD MARKS**" by the American Newspaper Directory. The Gold Marks means substantiability of subscribers - - - - -

THE LANDMARK

Goes to the homes of the people. That's the kind of circulation that pays the Advertiser. The Landmark refuses steadfastly to pad its circulation. Its well known in the vicinity of Norfolk that The Landmark is the only home paper in Norfolk. Its kept and read for its literary work. **LEADS THEM ALL** as an advertising medium it has no equal in the field, and is read daily in thousands of homes in

Eastern Virginia and Eastern North Carolina

High Standard in all Departments

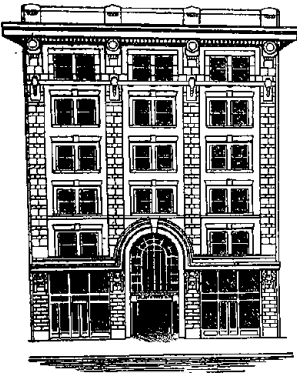

Its literary standard is high in all of the various departments. It is the most influential journal in the Eastern part of Virginia. It excludes from its columns a great deal of the best-paying advertising in the country because of the questionable character of the business offered. Its large local business proves how valuable and necessary for their welfare and prosperity the merchants and people generally of Norfolk and vicinity regard its advertising columns. - - - - -

1906 Norfolk, Portsmouth, and Berkley City Directory

...Introductory...

THE aim of our company in getting out the Directory of Norfolk, Portsmouth and Berkley for 1906 is to present a publication that can be relied on for its accuracy and fullness. We trust this edition will be satisfactory to our patrons, who have so generously extended us their support, and also, to the general public, who are compelled to rely upon our work and its direction. The 1906 book contains much new matter and an increased number of names.

A LIBRARY containing directories of the principal cities of the United States and Canada may be found in the rooms of the Chamber of Commerce for the free use of our patrons.

It is not generally known that the Directory contains not only the names of persons living in Norfolk, Portsmouth and Berkley, but also the names of those living at Riverside, East Brambleton, Douglas Park, Bruce Park, Huntersville, Barboursville, Villa Heights, Park Place, Virginia Place, Riverview, Old Dominion Place, Kensington, Lambert's Point, Atlantic City, West Norfolk, Port Norfolk, Pinner's Point, Scottsville, Park View, Prentis Place, South Norfolk and all of the suburbs adjacent to the three cities, embracing an area of fully 40 SQUARE MILES.

To find a name you must know how to spell it. It is not uncommon for members of the same family to spell their names differently, preserving the pronunciation. A few instances, as follows: Berry, Barry; Cain, Kain, Kane; Cohen, Cohn, Kohn; Irwin, Erwin; Kelley, Kelly; Kenney, Kenny, Kinney; Paine, Payne; Read, Reed, Reid; Reis, Reiss, Rice; Schneider, Snider, Snyder; Smith, Schmidt, Schmitt; Swartz, Schwartz; Thomson, Thompson; Wrenn, Renn. Directories are arranged and printed in exact alphabetical order. If the examiner knows the way the name is spelled, and will follow out the order of the alphabet, he will save time and vexation of spirit.

CAUTION.

We wish to call the attention of the advertising public to the itinerant directory publishers and advertising fakirs who visit the South periodically. When they commence, it is generally on the plea of "Home Enterprise" or "Charity," and they bleed the public for advertising of no value.

Beware of the man who solicits your Directory advertisements unless he can show authority from some one you know.

Our office holds itself ready to answer any question on this subject that our patrons feel inclined to ask.

Thanking the public for their generous patronage and kindness in aiding us in this work, we remain,

Yours respectfully,

HILL DIRECTORY COMPANY,

Directory and Almanac Publishers, Member Association of American Directory Publishers, Norfolk and Richmond.

136 miles Electric Railway—54 miles paved Streets—71 miles Curbed and Graded Streets—76 Churches—14 Hospitals and Asylums—18 Public Schools—7,260 Scholars—4 daily Newspapers.

Transportation facilities of such magnitude naturally attract an immense volume of business through the port, the total valuation for the year 1905 being estimated at \$822,000,000.00.

Norfolk is the fourth Cotton Port in the United States, the receipts for the year ending June 30, 1905, being 822,930 bales.

Lumber Industry one of the largest in the South, 700,000,000 feet being handled during the year 1905.

Largest Peanut Market in the World, 3,500,000 bushels being handled during the year 1905.

4,000 persons employed in handling Oysters, the total output for 1905 being about 3,500,000 bushels—value of Fish and Oyster business year 1905, \$1,000,000.

Aggregate value of Truck handled, \$8,000,000.

Fertilizer output year 1905 aggregated 200,000 tons.

Not the least attractive feature of Norfolk is its ideal Summer Resorts—Ocean View, Virginia Beach, Pine Beach, Cape Henry, Willoughby Beach and Old Point each of these being in close touch through the medium of excellent Electric and Steam Railways. Its popularity in this respect is attested by the fact that during the past summer approximately 120,000 excursionists were brought into Norfolk in addition to the regular passenger traffic.

It is safe to assert that no community in the country offers better opportunities to those seeking either investments, locations for manufactories or delightful homes.

Norfolk, with a harbor $30\frac{1}{2}$ feet deep at high water, is the terminus of eight railroads, nine coastwise and domestic steamship lines and regular foreign steamers to London, Liverpool, Glasgow, Hamburg, Bremen, Amsterdam, Rotterdam, Antwerp, Cuban and Mexican ports.

Rail lines—Southern Railway, Atlantic Coast Line, Seaboard Air Line, Norfolk & Western Railway, Norfolk & Southern Railroad, Chesapeake & Ohio Railway, New York, Philadelphia & Norfolk Railroad, and The Tidewater Railroad with a total mileage of approximately 25,000 miles.

BLANK-BOOK MANUFACTORY.

Complete in all its Appointments,

THAT'S the verdict rendered by our long line of satisfied customers, who verify their appreciation of our work by their continuous patronage. And that's the reason we have merited success in this branch of our business. We couldn't keep up our business if we didn't keep up the **QUALITY** of our Binding. The trade we want is the kind that comes every day. The reason they come is a reason for you to come.

BURKE & GREGORY,

28-36 Randolph St., Cor. Plume, NORFOLK, VA.
